PROJECTS

- **Campus Innovation Council** | React, Node.js, MongoDB (April 2024 – Present)
  - Built a full-stack event management platform with public and admin roles, managing **15+ events** and **500+ online registrations**, reducing manual effort.
  - Built an **Admin Dashboard** for event creation, photo uploads, and real-time registration tracking; enforced event deadline based registrations.
  - Developed responsive UI using Tailwind CSS and JS; implemented secure REST APIs with Node.js and Express.
  - Integrated Cloudinary for image uploads and automated Excel export of registration data for **20+ events**.
  - Campus Innovation Council Web App
- **devConnect** | React, NodeJs, MongoDB (Jan 2025 – Aug 2025)
  - A MERN-stack web app that connects developers through profile discovery and premium features.
  - Designed a feed-style experience for developers to discover and connect.
  - Offering enhanced skill-based pairing to user through premium features.
- **Chrome Extension** | Javascript, Manifest V3
  - Built a Chrome extension that generates concise, detailed, or bullet-point summaries of any web article using API.
  - Designed a responsive popup UI that works on any webpages you visit.

Responsibility

Post-Graduation Club, I am an active member of PG Club as a photographer at NIT Kurukshetra.
